

PALLETSMITH®

HAND PALLET TRUCK WARRANTY

STANDARD, LOW PROFILE AND ULTRA LOW PROFILE

Palletsmith® guarantees this product against material or manufacturing defects when used under normal conditions.

- A. Hydraulic pump and handle assembly is covered for a period of (24) months
- B. Frame and assembled components are covered for a period of (12) months
- C. Wearable components such as wheels, rollers, bearings and bushings are covered for a period of (6) months

All warranty periods begin at date of purchase and covers components only. Labor or other miscellaneous costs are NOT COVERED UNDER WARRANTY.

Bent, twisted or misaligned forks are signs of abuse and are NOT COVERED UNDER WARRANTY.

To claim warranty, please call 1-800-868-5438 or email sales@herwin.biz with serial number, model number, date of purchase and nature of problem. We will be happy to make warranty adjustments in a timely fashion.
